## Summer Newsletter

Volume 10

June 2010

### End of the Year Picnic

Well we sure ended the year with a bang (and a flood). Thanks to everyone who braved the torrential downpour and came to celebrate the end of our 43<sup>rd</sup> year of serving the children in our community. I don't remember if I told you all how much we appreciate the fact that you choose to share your children with us this past year.

### Spring Pictures

I have the Spring pictures - finally. You can pick them up in the preschool office. It is a preprinted package with a variety of poses to choose from. You may pick what you want to keep and I will send in the payment and whatever pictures you choose not to keep.

### Allen County Education Partnership Literacy Workshop

We are fortunate to be able to host a FREE workshop for parents whose children are starting kindergarten this fall. This 2 evening workshop is designed to help you help your child keep fresh and further develop the basic skills he/she learned in preschool that are necessary for reading and writing. The workshops will be offered June 10<sup>th</sup> (Thursday) and June 15<sup>th</sup> (Tuesday) from 6:30-8:30pm in the Fellowship Hall. The Partnership provides each attendee with approximately \$100 worth of free books, games and materials. This workshop is open to anyone with children going to kindergarten not just TCP parents so tell your friends. The registration forms can be picked up at the preschool or give me a call and we will fill it out over the phone. I am at the school 9:00-12:00 Monday through Friday until school is out for FWCS. Reservations need to be turned in to the Education Partnership by June 8<sup>th</sup>.

### Taylor Chapel VBS

The theme for Vacation Bible School this year is Bug Safari. The dates for VBS are July 11<sup>th</sup> through July 15<sup>th</sup> beginning at 6:00pm. All ages are welcome. You may contact the church office, 749-8597, to register.
